Elliot picked up his board and ran to the water to show his surfacing skills. He was not even trained or had no skills to surf and there was big waves.

''Elliot quit showing off'' Said Rikki

Elliot ignored rikki while she was relaxing

A few minutes later Rikki heard Elliott's cry for help. She knew this would happen to him she did warn him after all

Rikki look around briefly to see if anyone and ran into the water transforming into her usual mermaid form in just a few second. She reached Elliot within a few minutes

''Wow how did you do that'' - Elliot said

Elliot was astonished at Rikki speed

''Shut up and next time wear your leg ropes'' - Rikki said

ignoring Elliot question

Rikki propelled herself and Elliot to the rocks where nobody can see the me

Wow Rikki your a mermaid - Elliot said
looking at rikki bra and tail
"Yes I am Elliot" - Rikki replied
"Cool I've got to tell mum and dad about this" - Elliot said
"No Elliot you can't" - Rikki said
"Why not?" - Elliot said curiously
"Because they wouldn't understand" - said Rikki
"Ok i wont but only if you allow me to kiss you" - Elliot said
Confidently he knew Rikki had to agree
"Fine" - Rikki said

she had no choice but to let him do this or her and friends secret would be out she knew it was a bad idea for Emma to leave Elliot with her. But this was not the moment or the time to blame anyone she would wait until this was over.

Elliot started kissing Rikki slowly moving down to the lips he slowly moved to her cleavage loud moans were coming out of her Elliot knew that she was liking this and probably wanted some more. Elliot hand gently went to Rikki algae bra and removed the damp sea material. Her water glistening breast lay now now before Elliot her nipples were erect. Elliot started sucking her nipples slowly and started fumbling and massaging at the same time. Rikki swore she could feel the sliding pussy but it was well within the depth of her tail. Her moans grew louder and Elliot was glad that she was liking it. It was too good to stop as she was so into Elliot now. Elliot looked at Rikki and both decided that they had enough.

"Wow Elliot does a better job than Zane when it comes to kissing and sucking" - Rikki thought to herself in her head as she was trying her tail and returned to her usual human form

" What a day it's been. How does Rikki even get a guy like Zane" - Elliot thinking to himself as Rikki took him home
